KOMENTOR **dr.sc. SAŠA PETAR**

KONZULTANT **doc.mr.sc. NIKOLINA ŽIVALJIĆ**

Projekt se bavi rjesenjem smještajnog kapaciteta za umirovljenike u Dubrovniku. Sama lokacija je u samom srcu grada, u predjelu uz Opću bolnicu Dubrovnik u zelenom okruženju. Oblik objekta prati oblik parcele i sami pad slojnica na terenu. Teren je poprilično strm, te je bilo potrebno oblikovati teren i objekt tako da se pruži dovoljno prirodnog osvjetljenja kroz cijeli objekt. Cilj projekta je omogućiti korisnicima sve životne potrebe, posebno one društvene, ali zdravstvene i fizičke. Imajući to na umu, korisnicima se u rješenju pružaju razni sadržaji, koji će poboljšati njihov društveni život, ali im omogućiti i poboljšanje fizičke kondicije te zdravlja. Vanjski dio također pridonosi tim potrebama te je riješen kroz mikrolokalitete koji su multifunkcionalni, te povezani međusobno.
