Konstantan priljev ruralnog stanovništva u grad, koji se intenzivno odvija posljednjih nekoliko decenija, učinio je gradski kotar Mejaše najmnogoljudnijim područjem splitske suburbije. Međutim, takav silovit demografski skok nije popraćen adekvatnim reakcijama urbanih planera, što je rezultiralo nepreglednim prostorom ispunjenim uglavnom privatnim višekatnicama.
Cilj projekta jest, kroz javne, edukativne i rekreativne sadržaje, ostvariti snažniji socijalni integritet lokalnog stanovništva.
