*"Urbano područje bez artikuliranog javnog prostora - je li to uopće grad?(...)razlika među urbanim sredinama koje jesu ili pretendiraju biti grad."* Saša Šimpraga - Zagreb, javni prostor

Mali jadranski gradić Neum spletom povijesnih okolnosti razvija se relativno kasno i pred njim je proces suprotnog tijeka od susjednih dalmatinskih gradova - kako u već postojećem gradu na obali definirati rivu i artikulirati njegove obalne javne gradske prostore? Za programsku osnovu nove neumske rive uzeta su kulturna, društvena i sportska događanja koja nemaju stalno mjesto održavanja u gradu te postojeći potez šetnice uz obalu u dijelu grada gdje su nastala prva turistička odmarališta. Formira se nova neumska riva.
